Dear Friends and Partners,

We wanted to extend a special thank you to all of our sponsors, donors, and volunteers who have helped make this year's celebration possible. This year marks our third anniversary of organizing Delaware County's largest Lesbian, Gay, Bisexual, Transgender, Queer, Questioning, Intersex, and Ace/Aro (LGBTQQIA+) celebration of Pride. We would not have been able to put this festival on without your help and we ask our festival attendees to show our sponsors love and support in return.

DelCo Pride is excited to announce our new festival location at the five point intersection on Garrett Road in front of the Upper Darby Township Building. The event is scheduled for June 10th from 1pm—6pm. In addition, we are excited to announce the launch of the Delaware County Pride Parade, which will take place on State Street in Media, PA on June 3rd from 12pm—1:30pm. For the third year, the Pride Festival will provide an accessible and inclusive space for LGBTQQIA+ youth to find community and express themselves. Most importantly, we will continue to connect people in the community with resources and businesses that support them across the region.

We also want to provide special recognition to our Diamond Sponsors; Amistad Law Project, PECO/Exelon, and AQUA. Without the direct support from these organizations we would not have been able to put together such a vibrant robust celebration. Finally, we wanted to take the time to thank all of our wonderful volunteers. Our volunteers take time out of their busy schedules to get up early and aid our community in set-up as well as run our various youth activities. Our volunteers are the backbone of this festival and they should be celebrated!

U.D.T.J. is proud of the work we've accomplished this year! We are excited about the events and look forward to continuing that work with our generous sponsors.

We express our sincerest appreciation for everyone's continued support. We love you all! Happy Pride Month!

Sincerely,

The Board of Delaware County Pride,

Brief History of Pride

The only known photograph taken during the first night, by freelance photographer Joseph Ambrosini.

The Stonewall Uprising

On June 28, 1969 NYPD violently raided Stonewall, an LGBTQ+ bar, culminating in the community fighting back. The uprising stretched over six days. It was not the first time police raided a gay bar, and it was not the first time LGBTQ+ people fought back, but the events at Stonewall fundamentally changed the discourse surrounding LGBTQ+ activism. While Stonewall became well known due to media coverage and the subsequent annual Pride traditions, it was a culmination of years of LGBTQ+ activism. For us, Pride has usually been seen as a celebration with Queer joy being resistance. Pride is our collective struggle against the criminalization of LGBTQQIA+ existence. In this current climate, we stand firm in our fight for our trans and non-binary friends' and family members' liberation.

Source: Library of Congress: A resource guide: 1969: The Stonewall uprising

The first Pride march in New York City was held on June 28, 1970 on the one-year anniversary of the Stonewall Uprising. The concept behind the initial Pride march was formally proposed by lesbian activist Ellen Brody, who had written the proposal together with Craig Rodwell. E.R.C.H.O. (Eastern Regional Conference of Homophile Organizations) had been organizing an annual July 4th demonstration (1965-1969) known as the "Reminder Day Pickets," at Independence Hall in Philadelphia. At the E.R.C.H.O. Conference in November 1969, the 13 homophile organizations in attendance voted to pass a resolution to organize a National annual demonstration, to be called Christopher Street Liberation Day.

We Need Your Help!

As we transitioned into Delaware County Pride this year, our logistical costs have increased significantly. After two successful years as Upper Darby Pride, we have officially grown into Delaware County Pride and are happy to expand our programming for the inaugural DelCo Pride festivities. In order for us to provide the safest and most accessible event, we need your support to make the festival a reality. **We cannot do this without you!**

Your donations go towards covering the permit costs, insurance, overtime, facilities, stage equipment, performer stipends, safety, activities, lunches for our volunteers, food trucks, and decorations. All donations go towards helping us keep such a large event free to the public and keep our vendor fees affordable for LGBTQIA+ small businesses and organizations. All donations will go towards the festival and parade.

PARKING/TRANSPORTATION

There is street parking across Media, for \$1.50 an hour. We are encouraging parade attendees to park locally, use rideshare, or utilize public transportation. Please note that the 101 Trolley will stop at Providence Rd. Station. The SEPTA 110 and 118 Buses will be available.

Following the inaugural Delaware County Pride Parade, stick around in Media as we continue to celebrate into the evening! We will be partnering with local businesses and organizations across Media to host a variety of LGBTQQIA+ events and activities.

Currently, there are no active LGBTQQIA+ specific bars, nightclubs, community centers, or venues in Delaware County, depriving many LGBTQQIA+ individuals of the safe spaces needed to meet and socialize with each other. With Pride on State, we will be able to provide an annual space for LGBTQQIA+ people to celebrate and socialize in Delaware County. Most participating businesses will be donating a portion of their sales to Delaware County Pride, so please give them your support and business!
