

Community center Together.

HOW DOES IT WORK?

- Identification:** We identify and partner with organizations that align with our mission.
- Client-Centric Approach:** Clients visit our center and complete a simple Referral Request Form, outlining their needs.
- Referral Matching:** Our Director of Resources and Services carefully evaluates each referral, matching clients with the most suitable organizations within the network.
- Follow-Up:** We implement personalized follow-up policies, ensuring clients' ongoing satisfaction and success in accessing the recommended services.

ABOUT US

At U.D.T.J Community Center, we believe in fostering a community that thrives on collaboration, support, and empowerment. Our Referral Network is a testament to our commitment to providing comprehensive services to the most marginalized members of our community.

WHAT IS THE REFERRAL NETWORK?

The U.D.T.J Referral Network is a collaborative initiative that brings together organizations dedicated to mental health, physical health, recovery, and various essential services. This network acts as a bridge, connecting individuals seeking assistance with organizations that can provide the support they need.

- ### WHY JOIN THE REFERRAL NETWORK?
- Visibility:** Increase your organization's visibility through our social media, website, and community outreach.
 - Collaboration:** Join forces with like-minded organizations to create a more comprehensive and holistic support system.
 - Impact:** Contribute to the well-being of marginalized community members and make a lasting impact.

HOW TO GET INVOLVED:

- Organizations:** If your organization is committed to making a positive impact, join our Referral Network by completing the Organization Form.
- Clients:** Individuals seeking support can connect with us by filling out the Client Referral Request Form.
